

MYSTERY CARD ROULETTE

The rules are the same as Roulette, but instead of a traditional Roulette wheel, it's a "Mystery Card" version. Specially made cards numbered 1-36, 0, and 00, are randomly inserted into one of 38 slots on a rotating apparatus. The dealer spins and when it stops, the card is revealed and the winning number announced.

NUMBER BET	PAYS	
1	35-1	STRAIGHT UP
2	17-1	SPLIT
3	11-1	STREET
4	8-1	CORNER
5	6-1	TOP LINE
6	5-1	ALLEY

Wagering on this game is simple with "Outside" and "Inside" bets.

Outside Bets

Outside Bets paying even money:

Black or Red, Odd or Even, and Numbers

1-18 or 19-36.

Outside Bets paying 2-1:

Columns or sections of 12 numbers.

Inside Bets

Bets made in the interior area of the layout on a specific number or group of numbers are paid at different odds based on the amount of numbers being wagered.
